I finally heard back from Kelly Heffner...available on Friday to talk about Tunnelton. Doug didn't want any email but wanted me to make sure state is aware of their plans to shut down.. Scott thought they would be but said Kelly was the one to contact so I'll call after Corey is done

Can you please send to me any list you might have of detections from our EPA sampling of Dimock homes. I thought I'd just cross-check against UCMR, etc.--Vicky
